

Our top priority is the health and wellbeing of all employees and customers who are visiting the pub.

To minimize the spread of COVID-19 and ensure the pub stays a safe place to visit, these are just some of the extra measures we have put in place.

- All staff will have a daily temperature check and will wash their hands on arrival to work.
- Customers will be asked to sanitise their hands with the sanitiser at the front door on arrival.
- If any customers are displaying symptoms or failing to keep to social distancing rules, the staff have the rights to ask them to leave the premises straight away.
- Tables inside and outside are spread out at least 1 metre apart.
- All waiting staff will be washing and sanitising their hands in between contact with different tables.
- Posters and floor markings will be placed throughout the pub to guide customers.
- Enhanced cleaning and sanitising regimes including regular cleaning of hot points.
- Staff will make minimal contact with you whilst providing attentive service.

When booking a table

- Everyone in your party must not be displaying any COVID-19 symptoms or have displayed any COVID-19 symptoms in the last 7 days. If this changes in between the time of booking and attending please let us know by calling 01256 389514.
- Staff will greet you at the door on arrival and show you to your table. Please ensure all of your party use the hand sanitiser provided before entering the premises. Guidelines will then be talked through and any questions regarding COVID-19 procedures can be asked.
- We are advised to tell you that as per government guidelines it is currently advised that inside gatherings should only be with your household, social bubble or with one other household.
- On arrival your contact details will be collected for everyone entering the premises. These will only be used to assist the NHS track and trace.
- Table's in the garden can be reserved on request, however please bare in mind that during our busy times we maybe not able to accommodate you inside if outside dining is no longer desirable due to weather condition.

As a business we will continue to adhere to government and industry guidelines.

Details provided at the time of booking will be record on the NHS Track and Trace system. If you wouldn't like your details added, please note this in the special requirements section on the booking form.

We will continue to review our COVID-19 policy and update accordingly as months progress.

Thank you for all your support over the last few months. We hope this will continue and we can provide you with a safe and enjoyable environment to enjoy food and drink with friends and family.
