- All front of house staff will be wearing face coverings.
- Customers will be asked to sanitise their hands with the sanitiser at the front door on arrival.
- If any customers are displaying symptoms or failing to keep to social distancing rules, the staff have the rights to ask them to leave the premises straight away.
- Tables inside and outside are spread out at least 1 metre apart.
- All waiting staff will be washing and sanitising their hands in between contact with different tables.
- Posters and floor markings will be placed throughout the pub to guide customers.
- Enhanced cleaning and sanitising regimes including regular cleaning of hot points.
- Staff will make minimal contact with you whilst providing attentive service.
